xTex Software, PhysX Platform

EULA - End User License Agreement

February, 2022

IMPORTANT NOTICE TO ALL USERS: BY DOWNLOADING AND/OR USING THIS SOFTWARE OR PLATFORM YOU ACKNOWLEDGE THAT YOU HAVE READ THIS EULA, UNDERSTAND IT AND AGREE TO BE BOUND BY ITS TERMS AND CONDITIONS. IF YOU DO NOT AGREE TO THE TERMS OF THIS EULA DO NOT DOWNLOAD, INSTALL, COPY OR USE THE SOFTWARE OR PLATFORM.

1. **Preamble**

    This Agreement, signed on February 2022 (hereinafter: Effective Date) governs the relationship between the Buyer of the xTex Software or Subscriber to the PhysX platform, a Business Entity, (hereinafter: Licensee) and Vizoo, a duly registered company in whose principal place of business is Johann-Karg-Str. 30, 85540 Haar, Germany. This Agreement sets the terms, rights, restrictions and obligations on using xTex, PhysX, or any other products & services (hereinafter: Products), created and owned by Vizoo, as detailed herein.

2. **License Grant**

    Vizoo hereby grants Licensee a limited, non-exclusive, non-transferable and non-commercial license to install and use the Products as well as any accompanying user guide and other documentation.

    2.1. **Non-Transferable**
    Licensee may not transfer his rights and duties under this license.

    2.2. **Non-Commercial**
    Licensee may not use Products for commercial purposes. For the purpose of this license, commercial purposes means that a 3rd party has to pay in order to access the Products.

3. **Restrictions on Use**

    Please note that in order to guard against unlicensed use of the Products, a license key or user account is required to access and enable the Products. Licensee is authorized to use the Products in machine readable, object code form and Licensee shall not:

    3.1. assign, sublicense, sell, distribute, transfer, pledge, lease, rent, lend, share or export the Software, the Documentation or Licensee's rights under this EULA.

    3.2. alter or circumvent the license keys or other copy protection mechanisms in the Software or reverse engineer, decompile, disassemble or otherwise attempt to discover the source code of the Software.

    3.3. modify, adapt, translate or create derivative works based on the Software or Documentation.

    3.4. use, or allow the use of, the Software or Documentation on any project other than a project produced by Licensee (an "Authorized Project") or to provide a service (whether or not any charge is made) to any third party.

    3.5. allow or permit anyone (other than Licensee and Licensee's authorized employees to the extent they are working on an Authorized Project) to use or have access to the Software or Documentation.

    3.6. copy or install the Software or Documentation other than as expressly provided for in this EULA.

    3.7. take any action, or fail to take action, that could adversely affect the trademarks, service marks, patents, trade secrets, copyrights or other intellectual property rights of Vizoo or any third party with intellectual property rights in the Software (each, a "Third Party Licensor"). For purposes of this clause 3, the term "Software" shall include any derivatives of the Software.

4. **Source Code**

    Licensee may use the **Products** in object code form only:

    4.1. if Vizoo has agreed to license to Licensee source code or elements of the source code of the Products, the intellectual property rights in which belong either to Vizoo or to a Third Party Licensor ("Source Code"), Licensee

shall be licensed to use the Source Code as Software on the terms of this EULA and Licensee may use the Source Code at its own risk in any reasonable way for the limited purpose of enhancing its use of the Software solely for its own internal business purposes and in all respects in accordance with this EULA.

Licensee shall in respect of the Source Code comply strictly with all other restrictions applying to its use of the Software under this EULA as well as any other restriction or instruction that is communicated to it by Vizoo at any time during the Agreement, whether imposed or requested by Vizoo or by any Third Party Licensor.

4.2. to the extent that the Products link to any open source software libraries ("OSS Libraries") that are provided to Licensee with the Software, nothing in the Agreement shall affect Licensee's rights under the licenses on which the relevant Third Party Licensor has licensed the OSS Libraries, as stated in the Documentation.

4.3. notwithstanding any other term of the Agreement, Vizoo gives no express or implied warranty, undertaking or indemnity whatsoever in respect of the Source Code, the OSS Libraries and Third Party Libraries, all of which are licensed on an "as is" basis, or in respect of any modification of the Source Code, the OSS Libraries or Third Party Libraries. Licensee may not use the Object for any purpose other than its use of the Software in accordance with this EULA. Notwithstanding any other term of the Agreement, Vizoo shall have no obligation to provide support, maintenance, upgrades or updates of or in respect of any of the Source Code, the OSS Libraries or any Third Party Libraries. Licensee shall indemnify Vizoo against all liabilities and expenses (including reasonable legal costs) incurred by Vizoo in relation to any claim asserting that any Modification infringes the intellectual property rights of any third party.

5. Ownership

Licensee acknowledges that the Products (including, for the avoidance of doubt, any Source Code that is licensed to Licensee) and Documentation and all related intellectual property rights and other proprietary rights are and shall remain the sole property of Vizoo and the Third Party Licensors. Licensee shall not remove, or allow the removal of, any copyright or other proprietary rights notice included in and on the Products or Documentation or take any other action that could adversely affect the property rights of Vizoo or any Third Party Licensor. To the extent that Licensee is authorized to make copies of the Products or Documentation under this EULA, Licensee shall reproduce in and on all such copies any copyright and/or other proprietary rights notices provided in and on the materials supplied by Vizoo hereunder. Nothing in the Agreement shall be deemed to give Licensee any rights in the trademarks, service marks, patents, trade secrets, confidential information, copyrights or other intellectual property rights of Vizoo or any Third Party Licensor, and Licensee shall be strictly prohibited from using the name, trademarks or service marks of Vizoo or any Third Party Licensor in Licensee's promotion or publicity without Vizoo's prior express written approval.

6. Upgrades, Updates and Fixes

Vizoo may provide Licensee with Upgrades, Updates or Fixes, as detailed herein and per his sole discretion. Nothing in this Agreement shall require Vizoo to provide Updates or Fixes.

7. Support

The Products are provided under an AS-IS basis and without any support, updates or maintenance. Nothing in this Agreement shall require Vizoo to provide Licensee with support or fixes to any bug, failure, malperformance or other defect in the Products. Maintenance and support can be granted in a different agreement.

8. Liability

To the extent permitted under Law, the Products are provided under an AS-IS basis. Vizoo shall never, and without any limit, be liable for any damage, cost, expense or any other payment incurred by Licensee because of Software's actions, failure, bugs and/or any other interaction between Products and Licensee's end-equipment, computers, other software or any 3rd party, end-equipment, computer or services.

8.1. No-Warranty

The Products are provided without any warranty; Licensor hereby disclaims any warranty that the Products shall be error free, without defects or code which may cause damage to Licensee's computers or to Licensee, and that the Products shall be functional. Licensee shall be solely liable to any damage, defect or loss incurred because of operating software.

8.2. Prior Inspection

Licensee hereby states that he inspected the Products thoroughly and found it satisfactory and adequate to his needs, that it does not interfere with his regular operation and that it does meet the standards and scope of his computer systems and architecture. Licensee found that the Products interacts with his development, website and server environment and that it does not infringe any of End User License Agreement of any software Licensee may use in performing his services. Licensee hereby waives any claims regarding Products' incompatibility, performance, results and features.

9. Governing Law, Jurisdiction

Licensee hereby agrees not to initiate class-action lawsuits against Vizoo in relation to this license and to compensate Vizoo for any legal fees, cost or attorney fees should any claim brought by Licensee against Vizoo be denied, in part or in full.

The parties irrevocably agree that the courts of Germany, Munich shall have exclusive jurisdiction to hear, settle and/or determine any dispute, controversy or claim (including any non-contractual dispute, controversy or claim) arising out of or in connection with this agreement, including any question regarding its existence, validity, formation or termination. For these purposes, each party irrevocably submits to the jurisdiction of the German courts.

10. Amendments to this Agreement

Vizoo reserves the right to modify or replace this Agreement at any time. If a revision is material, we will provide at least 60 days' notice prior to any new terms taking effect.
